Make Reading Easier

Bookshare helps people read in ways that work for them. They can listen to books, follow along with highlighted text, read in braille or large text, and customize their experience.

Who Qualifies?

Members must have a qualifying reading barrier to join Bookshare. Examples include:

- Dyslexia
- Learning disabilities
- Visual impairments
- Physical disabilities

How Bookshare Helps

- **Alternative formats:** ebooks in audio, audio + highlighted text, large text, braille
- **Huge collection:** over 650,000 titles for school, career, and pleasure reading
- **Choose your device:** computers, tablets, smartphones, braille devices, and more

- **Free for U.S. schools and qualified students:** funded by the Office of Special Education Programs, U.S. Department of Education
- **Low cost for non-students:** less than \$1 per week for unlimited reading

Hear what teachers say...

“ By providing audio support, Bookshare alleviates the decoding task so students can focus on visualizing, connecting, and keeping track of what’s going on in the story. Once they’ve got a few books under their belt, some of those kids are right up at grade level. ”

— Mary Cotillo, Assistant Principal, Horace Mann Middle School
