

How-to Guide:

Students Update Your Individual
Membership

You can still take advantage of all Bookshare has to offer after high school. Just follow these steps to update your Individual Membership account. If you will attend college or another education program, your membership will continue to be free. If not, just \$50 a year plus a one-time set up fee of \$25 allows you to access over 520,000 books including *New York Times* Bestsellers and other special collections.

Update Your Account

- 1) Log into your Bookshare account and select "My Account" on the "My Bookshare" page.

What grade are you in now?

certify that this information is true and correct.

Your subscription is free!

As a U.S. student, your membership is free through an award from the Office of Special Education Programs (OSEP), U.S. Department of Education.

Want to help pay it forward? Bookshare relies on the generous contributions of people like you to help bring Bookshare to others who do not qualify for free memberships like senior citizens, veterans, and people with print disabilities in countries outside the U.S. Please consider making a tax-deductible gift when you renew.

[Update](#) [Update with Gift](#) [Cancel](#)

Note: If your new school has a Bookshare account, you can request to have your Individual Membership linked to their Organization Account.

5) If you are not attending school, select "No, I am no longer a student"
